

This is to get all your ideas into one place to help you shape your solution.  
Tackle this as a collaborative exercise, so it's co-designed and owned by everyone in your group.

<b>Name of the project</b>	<b>Who is involved?</b>	<b>What is the problem statement?</b>
<b>How does it work? Illustrate the features and benefits</b>	<b>What needs to be researched, tested or prototyped?</b>	
<b>Why might it fail?</b>	<b>What does success look like?</b>	<b>What resources are needed?</b>

<b>Project milestones</b>	Short	Medium	Long-term
